

Wellingborough Town FC vs Corby Town Fc Match Report

The Dog and Duck hosted the traveling Corby Town in an intense clash, with an anticipated and loud crowd behind both sets of teams. The game started with both sides flying out of the blocks at a high pace.

It was the Steelmen who broke the deadlock early in the first half with a wonder strike from former Doughboy Stohrer, who unleashed a powerful effort that keeper Dean Snedker could only watch as it nestled into the top corner.

The home side came out for the second half with much higher intensity, creating several opportunities, but the visitors continued to hold firm. It seemed like it wouldn't be the Doughboys' day as the clock ticked down. But hero Lloyd Buckby, on his 201st appearance for the club, met a brilliant cross and sent a looping header over the keeper, sending the home supporters into dreamland.

Just moments after the home side roared back with a deserved equaliser, heartbreak seemed to strike again as the visitors bundled the ball into the net through none other than their former player. However, the Doughboys were left breathing a sigh of relief as the referee, after a brief discussion with his assistant, rightly ruled it offside.

The final 20 minutes were electric, with the home side pushing hard for a winner. They thought they had found one when midfielder Clements mishit a long-range strike that rolled perfectly into the path of Franklin, who slotted it past the Corby keeper. But once again, the linesman raised his flag, prompting another tense discussion with the referee. The Dog and Duck was left holding its breath, but ultimately the goal was chalked off and the match ended 1-1.
